

President

David Goodsall BA FIAA ASA CERA

David is a Director of ClearView Wealth Ltd and is the Founder and Director of Synge and Noble Pty Ltd, providing professional advice to financial services companies. He also advises on regulatory issues, as well as provides executive coaching for actuaries and technical professionals who deal with the C suite and boards in their organisations.

Prior to this, David was a Partner in the Sydney Financial Services Practice of Ernst & Young, having joined EY in 1990. He has worked in the financial services industry for over 30 years and has extensive experience in the financial and risk management aspects of a wide range of financial service companies. He has been closely involved in a number of public floats, demutualisations, corporate restructures and transfers of business, as well as holding a number of appointed actuary roles.

Senior Vice President

John Newman BBusSc (Hons) FIAA

John is a Director and Principal of Professional Financial Solutions (PFS). He started his actuarial career with E S Knight & Co, which was acquired by Mercer in 1985. He became a worldwide partner and was the head of the Retirement practice in Australia and New Zealand until 2004 when he left and joined PFS.

John has extensive experience in superannuation and benefits, having consulted to a wide range of stakeholders in this area throughout his career and been involved in the establishment of a major commercial Master Trust. He advises on strategic and operational issues in the financial services industry, specialising in superannuation and insurance, and has a particular focus on risk management and governance matters.

Vice President

Daniel Smith BSc FIAA

Daniel has been a consultant in general insurance since 1991 and is a Director of Taylor Fry (a consulting firm offering actuarial, financial modelling and statistical advice to business and government). He has been involved in a wide range of projects for general insurance companies, accident compensation schemes and government departments and is currently Appointed Actuary to three insurance companies.

Daniel is a member of the Audit and Risk Council Committee and the Council representative on the General Insurance Practice Committee. While on Council he has served on the Designations Taskforce and the Member Services & Educator Implementation Groups.

Councillors

Caroline Bayliss FIA FIAA

Caroline is a member of the Life Insurance and Wealth Management Practice Committee, and sits on the Board of the Macquarie University Actuarial Foundation. She has also been an Assistant Chair and Chair of the Board of Examiners (2005-2009) and been a member of the Education Council Committee (2006-2009).

Caroline has a keen interest in education and seeks to assist the profession in maintaining its education program to continue to turn out well rounded, communicators and thinkers and thereby enhance the brand of actuaries as problem solvers, both in the traditional and newer areas. She is also keen to see that the Institute provides a valuable service to all sections of the membership, and raises the profile and standing of the profession.

Andrew Boal BSc FIAA

Andrew Boal is the Managing Director of Towers Watson in Australia and is responsible for the management and growth of the organisation across all lines of business, encompassing superannuation, technology and administration solutions, talent management, communication, investment and risk. He is a member of the Leadership Group—the management team responsible for shaping the future of Towers Watson in the Asia-Pacific region.

With over 26 years consulting experience in the superannuation and employee benefits industries, Andrew is an active contributor to the superannuation industry. He is a regular speaker at major industry events and drives much of Towers Watson's thought leadership in superannuation. He also continues to provide strategic consulting advice to key clients.

Andrew is the convenor of the Superannuation & Employee Benefits Practice Committee for the Institute of Actuaries of Australia and has been an examiner and tutor for superannuation. He has also served as a member of the Victorian Executive of the Association of Superannuation Funds of Australia (ASFA).

Andrew is a Fellow of the Institute of Actuaries of Australia and holds a Bachelor of Science majoring in Mathematics and Statistics from the University of Melbourne.

Jules Gribble FIAA FSA FCIA CERA

Jules has a long standing interest in actuarial education and, more broadly, developing actuarial professional capabilities. He has taught Part II (at University of Melbourne) since 2000, co-led the development of the new GRIS Part III subject, contributed to ERM education, is a member of the Wealth Management Sub-committee of the Life Insurance and Wealth Management Practice Committee, and has represented the Institute at International Actuarial Association meetings.

Jules believes the profession faces important challenges. While preserving and nurturing the traditional areas of its expertise, as a

Councillors

profession it also needs to step up and step out into developing areas and show users how actuaries add value to their businesses. As part of this, the role and importance of CPD needs emphasising.

Living in Melbourne, Jules is one of two Councillors from outside NSW in 2011. He believes it is important for the Institute to ensure it has the appropriate national and international focus. Jules is always keen to receive comments from members on matters that concern them.

Andrew Huszczo FIAA

Andrew joined Council after contributing to the Institute in a range of activities. In the past he has been involved in the education process for most years since he qualified in 1997 including presenting tutorials, marking exams and assignments and drafting exam questions. He was also a member of the General Insurance Practice Committee from 2000 to 2005 and participated in the GI Financial Condition Taskforce (2004-2005) and Professionalism Taskforce (2008-2010).

His aim is to ensure that the Institute meets its objectives of enhancing the brand of actuary and expanding the role of the actuary as appropriate. This includes the role of the actuary in risk management where there is still significant work to be done to make the actuary a logical choice for risk management roles, particularly in financial services organisations.

Michael O'Neill BActS (Hons)/LLB FIAA

Michael is an equities manager specialising in financial sector companies including Insurance and Banks, along with companies in the Information Technology and Media sectors. He joined Investors Mutual in 2010 and was previously with Cannae Capital Partners. Prior to this Michael was Actuary, AGA, Commonwealth Treasury.

Michael has served the Institute in a number of volunteer capacities, including as Member of Research Council Committee; Member of the Life Insurance and Wealth Management Sub-Committee; Convenor of Research Prizes and Scholarships Judging Panels; Member of International CERA Review Panel; and Convenor of the Member Value Proposition Project as part of the MSE Taskforce.

Estelle Pearson FIAA

Estelle has previously been an examiner for the general insurance subject, and also an examination marker and guest tutor for this subject. She has contributed to the Institute's General Insurance and Accident Compensation Seminars over the last 20 years, authoring a number of papers and chairing the Tort Reform Working Party. Over the years she has also been involved with and spoken at a large number of conferences organised by insurance industry groups, highlighting the work of actuaries in the general insurance industry.

Estelle believes that it is vital for the ongoing vigour and success of the Institute to capture the interest of the growing number of young Actuaries and Fellows and for these members to actively contribute to the development and direction of the profession. Estelle is also

Councillors

interested in increasing the relevance of the Institute to the broader community through a stronger public voice on issues which affect all Australians and where the actuarial voice should carry weight.

Lindsay Smartt BA FIAA FNZSA ASA

Lindsay has over 30 years experience in the financial services industry. Lindsay graduated from Macquarie University in 1979 with a Bachelor of Arts degree, majoring in actuarial studies. He became a Fellow of the Institute of Actuaries of Australia in 1983. He is also a Fellow of the New Zealand Society of Actuaries, a Fellow of the Actuarial Society of Hong Kong, an Associate of the Society of Actuaries (USA) and an Affiliate of the Institute of Actuaries (UK).

Lindsay is currently the Convenor of the Audit and Risk Council Committee and a member of the Life Insurance and Wealth Management Practice Committee. He has been actively involved in the profession during his career.

Lindsay is currently employed by Munich Re as their Appointed Actuary for Life business in Australia and New Zealand, having joined in 2008. Previously Lindsay has worked in life insurance, reinsurance and wealth management across the Asia Pacific region including a spell successfully operating his own consultancy.

Stephen Woods FIAA

Stephen attends all Practice Committee, and most Council Committee, meetings in his capacity as Practice Committee Liaison Actuary. As a Councillor, he has a rare opportunity to improve communications between Council, practitioners and the Institute Secretariat.

Stephen hopes to increase the recognition, value and perception of 'Actuaries' in Australia and the global community, through public policy and targeted promotion; to ensure that the high quality of services provided by the Institute is maintained and where possible improved to align with the needs of all members; and to represent members and give them a clear voice at Council.

Stephen is a long-serving volunteer to the Institute, particularly in the Education faculty and his much-hyped but often overrated [Stephen's words!] *Actuary Australia* column *Two Ducks Swimming*.

Gloria Yu BCom FIAA LRSM LMusA ATCL

Gloria has been working in the general insurance industry since 2001 and is currently Manager in the General Insurance Actuarial Department in Westpac. Prior to this, she worked in a number of consultancies and briefly for a global financial services company.

Over the past few years, she has assisted in the Institute's education program in various capacities. More recently, she has been working with Practice Committees in developing strategic and operational plans for enterprise risk management within the actuarial profession in Australia.

Councillors

In 2002 she was awarded the Goldman Sachs Global Leaders Award where she was selected as one of the 100 Goldman Sachs Global Leaders in the world and one of the eight representing Australia. In 2009, she was selected to participate in the Institute's Step Up Leadership Program and the BT Financial Group Developing Future Leaders Program.

Besides being an FIAA, she is also one of the youngest Australians awarded with the Licentiate Diploma in Music Australia (LMusA), specialising in piano performance, as well as having attained distinction in the Licentiate Diploma in UK's Associated Board of the Royal Schools of Music (LRSM).
