## Benefits of Attending

### Delegates will...

- ▶ Be inspired and hear from high-profile speakers and thought-leaders in the injury scheme space.
- ▶ Be empowered by leading-edge thinking and understanding current critical issues and developments across various injury schemes.
- ▶ Share knowledge and ideas through participating in the Q&A time plus vigorous discussion with other professionals in the breakout sessions.
- ▶ Strengthen and build relationships with contacts, clients and industry leaders in the many networking opportunities.
- ▶ Experience memorable nights and have fun at the Welcome Cocktail Party and Gala Dinner.

### Employers will...

- ▶ Gain access to a wealth of knowledge, techniques and trends through the dynamic sessions.
- ▶ Experience targeted networking opportunities.
- ▶ Benefit from a range of technical and personal development learning.
- ▶ Align their employees with potential key contacts, clients and industry leaders.
- ▶ Have access to post-event media to facilitate discussion on session content with their staff.

### Sponsors will...

- ▶ Promote their brand to over 300 industry professionals from Australia.
- ▶ Reinforce and strengthen their corporate position within the actuarial profession and injury scheme space.
- ▶ Demonstrate a clear message of their genuine commitment to the actuarial profession and the various injury schemes.
- ▶ Network with key industry leaders and their teams.
- ▶ Have high visibility on the Injury Schemes Seminar website and marketing material.

Previous delegates have valued...

*"The opportunity to better understand the latest developments affecting Injury Schemes and the opportunity to see old colleagues and friends as well as making new friends."*

*"Networking opportunities and high quality of the plenary sessions and speakers, as well as the strong mix of high quality industry delegates along with actuarial delegates."*

*"New information, networking and opportunity to explore new ideas or expand and refine existing ideas. Opportunity to challenge status quo and explore the future."*
