

Senior Product Manager – Insurance Brisbane, Permanent, full-time position

Operating in a highly competitive and dynamic financial services environment, QSuper manages in excess of \$50 billion in funds for over 530,000 members and is committed to working with our members so they can feel more confident they are making the best choices for their situation. QSuper Limited and QInvest Limited are ultimately owned by the QSuper Board of Trustees and have approximately 1000 employees.

The QSuper Group culture is one where "members are at the heart of everything we do" and our employees bring this culture to life by behaving in line with our unique values which ensures our success through our actions every day.

QSuper's combined self-insured and externally insured arrangements are amongst the largest in Australia, providing cover for more than 400,000 members and generating annual premiums of approximately \$300M.

The purpose of the Senior Product Manager - Insurance is to manage the death and disability insurance products, service propositions and product strategy to optimise the product performance in:

- maximising member and stakeholder value
- supporting the strategic direction and objectives of the division and Fund
- delivering sustainable financial performance
- meeting the applicable compliance and regulatory obligations

Reporting to the Head of Group Life Insurance you will lead, guide and develop the Insurance Product Team that develops and enhances QSuper's internal and external insurance products, from concept through to implementation.

The successful Senior Product Manager - Insurance will have:

- Demonstrated understanding of the group life insurance products and market competitive features, pricing & underwriting risk assessment and associated levers for managing product performance;
- Demonstrated capacity to develop, negotiate and deliver improved insurance products and service strategies supporting delivery of business objectives;
- Demonstrated experience in leading and influencing teams to successfully achieve organisational objectives, deal with change, managing and delivering a range of competing priorities;
- A thorough understanding life insurance / self-insurance business functions such as disclosure, risk and reserve management, capital adequacy, actuarial review, claims management and payments, governance and reporting;
- Demonstrated experience in preparing and presenting effective reports to Executive Management, Boards and associated sub-committees.

At QSuper we are proud to champion respect and we value diversity amongst our employees to support an inclusive workplace. We are passionate about selecting talented people based on their qualifications, capabilities and experience relevant to the role.
