

SYNOPSIS

INTERNATIONAL COMPARISON OF COMPENSATION SCHEME BENEFITS ON MOTOR ACCIDENT INJURIES

Kitty Ho

Key words: Motor Bodily Injury Claims; Compensation and Benefits; International Comparison

Purpose of your paper: To explore how claimants with motor accident injuries are compensated around the world

Synopsis: Through exploration of how motor accident injury claimants are compensated in various compensation schemes internationally, the presenter will compare and examine the Schemes' scheme design, claim access, claims management processes and compensation benefits.

Schemes for comparison will include those for countries in Europe, Asia and South America.

Part of the presentation will include claim trends/common issues/solutions in overseas schemes which may be relevant to some of the challenges we are facing in Australia.
