

# Leadership Forum - Half time reflections on an Actuary's contribution and his understanding of the Social Algorithm

1. Actuaries know everything
2. But others know a lot as well
3. Some Actuaries know some things
4. If others know lots and I only know some things  
– what don't I know?
5. Get curious
6. Be open to feedback
7. Learn from every interaction
8. Life is not linear
9. Take opportunities
10. Ensure it reconciles
