Listen and reflect

- Performance conversations can be very useful
- What are your greatest strengths; and
- What are your areas for greatest improvement?
- Cherish what makes you uncomfortable

- Some skills will always be learned, never innate

Summary

- Make sure everything you do is aligned to your vision
- Enjoy the discomfort – it is your greatest opportunity to learn about yourself
- Identify your strengths – play to them and recognise that knowing your weaknesses will help you change your behaviours to overcome them – you may be practising those behaviours all your life
- Be authentic!
