

## SYNOPSIS

### **Actuaries working to support public policy –developments in social welfare and beyond** **Rosi Winn, Anjali Napoli, Mike Clough**

**Key words:** investment model, social welfare

**Purpose of your paper:** To provide information to delegates in relation to the actuarial work being done for the Federal Government to support policy development through the investment model approach to social welfare

#### **Synopsis:**

The presentation will:

- Explain what is meant by the investment approach to social welfare and provide some background on why the Federal Government has implemented this approach.
- Provide information on the role of the actuaries in developing the investment approach model
- Provide an overview of the actuarial model
- Discuss how the model is being used to support policy development.

We will also briefly discuss other areas of government where investment approaches are in use or under development

*Note: This work is currently confidential, however we anticipate that this will no longer be the case in May 2017. The presentation content will be tailored to reflect the level of information that the Federal Government is prepared to make publically available at the time of the Summit.*
