Dear Delegate

Welcome to the 2017 Actuaries Summit

This year's Summit will deliver a strong and diverse program featuring five plenary sessions and 56 concurrent sessions. With the theme of *Think Differently*, there will be a broad range of in-depth insight and analysis from leading global and Australian speakers. You will also have the opportunity to network with key professionals from a wide range of specialities.

Facilitated by ABC Journalist Emma Alberici, the Summit begins with a Keynote Address by Audette Exel, the CEO of Adara Advisors and Adara Partners.

The plenary session topics include:

- ▶ Think Differently about Society;
- ▶ Think Differently about Mental Health;
- ▶ Think Differently about Customers; and
- ▶ Just Thinking Differently.

The concurrent streams include papers and presentations on:

- ▶ Influence;
- ▶ Insurance Practice
- ▶ Public Policy;
